Albariño 2021 6x75cl

Winemaker Notes

Gorgeous little citrus flowers link arms with melon and peach to dance in the sunshine, always maintaining an air of class. Meanwhile, lime lingers in the shadows vying for attention.

Vineyard

This aromatic white wine grape, hailing from Spain and Northern Portugal, also performs exceedingly well in Gisborne.

Winemaking

The fruit was picked and gently pressed to stainless steel tanks. 85% of the clear juice was racked and fermented with yeast selected to highlight the lovely aromatics and texture of this exciting variety. The remaining 15% of the juice was run to seasoned French Oak Puncheons for a natural fermentation which adds complexity and richness to the wine.

Vintage

A warm dry summer resulted in perfect ripeness and the earliest harvest ever for our Albariño.

Food match

Grilled and Roasted White Meats

Imbibe on its own or devour along with a Thai chicken salad
