# EarthGarden Pinot Noir 2021 6x75cl

## Winemaker Notes

This Pinot Noir expresses black fruits like boysenberries and blueberries with subtle floral notes and gentle acidity. The cocoa powder tannins and smoky toasty notes add complexity with a generous earthy textural finish.

## Vineyard

Our key focus is to be environmentally responsible and to operate using sustainable practices in order to protect the land for future generations. Villa Maria has farmed Pinot Noir organically since 2010 gaining Biogro certification in 2012. This selection of vineyards are vibrant gardens alive with wildflowers and full of life.

## Winemaking

Wild fermentation was encouraged and where not possible, BioGro approved yeast strains were used to inoculate the fermentation after crushing. The wine was pressed to oak post-fermentation, 10% new, for 10-12 months before bottling.

## Vintage

The 2021 summer was dry with high sunshine hours during the day and the cooler nights that are typical for Marlborough.

## Food match

Grilled and Roasted Red Meats

This wine pairs well with lamb or slow-cooked beef cheeks. For a plant-based alternative, try with mushroom or truffle-accented dishes.
