### Winemaker Notes

Intense aromatics of passionfruit, tropical fruit and background fennel notes lead into a flavoursome, succulent palate in this dry styled wine. A classic Marlborough Sauvignon Blanc that is fresh, pure and long on the palate reflecting the growing season and our premium vineyard sites.

### Vineyard

Sourced from premium vineyards in the Wairau and Awatere Valleys, these sites show a range of soil types from alluvial over a papa pan, silt over gravels and stony gravels. Attention to vine and soil health have contributed to optimum flavour and fruit condition. This classic Marlborough Sauvignon Blanc has produced a wine with great purity, concentration and definition.

### Winemaking

Our Sauvignon Blanc winemaking philosophy at Vidal Estate is to produce wines that reflect where they are from and the season they were grown in, in a style that is balanced, defined and flavoursome. Juice from gently pressed grapes was cool fermented to retain purity, flavour and aromatics. Lees ageing prior to bottling has developed mid-palate weight and texture adding to the wine's intense fruit characters.
