# Sauvignon Blanc 2022 6x75cl

## Winemaker Notes

Passionfruit, nectarine and lemongrass parade before the beholder. Gentle scents of green herb and flamboyant tropical fruit arrive on the scene while a light-footed streak of crisp vibrancy departs side stage.

## Vineyard

Meticulous effort from our viticulture team ensured our vineyards delivered clean, concentrated, and balanced fruit jam packed with classic Sauvignon Blanc flavours.

## Winemaking

The fruit was gently crushed and pressed and the clear juice was run off for a cool ferment with yeast chosen to highlight the punchy aromatics of this variety. After a short period ageing on lees, the wine was blended and bottled.

## Vintage

The start of 2022 summer was slightly colder; February was below the long-term average in temperature however the weather settled with a slightly damp autumn.

## Food match

Grilled and Roasted White Meats

Imbibe on its own or devour with seafood such as grilled prawns and fresh lemon.
