# Single Vineyard Seaspray Sauvignon Blanc 2021 6x75cl

## Winemaker Notes

The 2021 Seaspray Single Vineyard Sauvignon Blanc has distinctive briny seashell characters and lively acidity derived from the nearby oceanic influence. Flavours of kaffir lime, capsicum and freshly picked culinary herbs represent the cooler windy coastal Awatere sub region in Marlborough where these young Sauvignon Blanc vines struggle to grow in the sandy river gravel soil.

## Vintage

Summer was dry and mild with Marlborough's signature high sunshine hours and cool nights delivering fruit in the best possible condition. The early autumn 2021 season provided Marlborough with very stable weather conditions therefore fruit was able to reach optimum physiological and flavour ripeness. The fruit was impeccably clean and the lower yields meant that the grapes packed a punch in flavour and concentration.
