Visio Vintners Sauvignon Blanc 2023 6x75cl

Winemaker Notes

The wine shows upfront passionfruit and pineapple, balanced by herbaceous aromas with layers of complexity and mineral notes coming through on the palate. Enjoy with summery salads, fresh seafood and white meat.

Winemaking

The grapes were treated reductively to preserve the delicate Sauvignon blanc flavours. After destemming, crushing and 24 hours skin contact the free run juice was left to settle and then fermented at 13°C. The wine was left on the lees for 6 months before bottling.

Food match

Try with a pea and asparagus risotto
