

Wild Steps Organic Malbec

2021 12X25cl

Winemaker Notes

Vibrant and juicy packed with fresh cherry and soft plum characters.

Vineyard

Sourced from Santa Rosa vineyard in the Uco Valley, Mendoza, Argentina – a region that is renowned for producing premium wine. Stony and sandy soils in the region provide the perfect environment to produce soft and fruity Malbec

Winemaking

Grapes were hand harvested and left on skins for 15 days before fermentation. 50% of the wine was aged in French oak for 10 months.

Vintage

The harvest of 2021 was a great one. Due to its cool and humid weather conditions, grapes had the time they needed to reach their optimal ripeness with a perfect balance of acidity/sugars and outstanding tannin structure.
