

# Wild Steps Organic Malbec

## 2021 12x25cl

### Winemaker Notes

Vibrant and juicy packed with fresh cherry and soft plum characters.

### Vineyard

Sourced from Santa Rosa vineyard in the Uco Valley, Mendoza, Argentina – a region that is renowned for producing premium wine. Stony and sandy soils in the region provide the perfect environment to produce soft and fruity Malbec

### Winemaking

Grapes were hand harvested and left on skins for 15 days before fermentation. 50% of the wine was aged in French oak for 10 months.

### Vintage

The harvest of 2021 was a great one. Due to its cool and humid weather conditions, grapes had the time they needed to reach their optimal ripeness with a perfect balance of acidity/sugars and outstanding tannin structure.

### Food match

Grilled and Roasted Red Meats

A perfect single-serve to enjoy on the go, at parties, BBQs and picnics, or simply in a glass at home.
