Winemaker Notes

Elegant and dry aromas of tropical fruits, apples and citrus.

Vineyard

This Malbec Rose is produced from high quality organic vineyards in Mendoza, Argentina. Stoney and sandy soils in the region provide the perfect environment to produce fresh and fruity Rose

Winemaking

Fermented in stainless steel and made by the 'saignée' method, this wine gets its beautiful pink colour from contact with the grape skins.

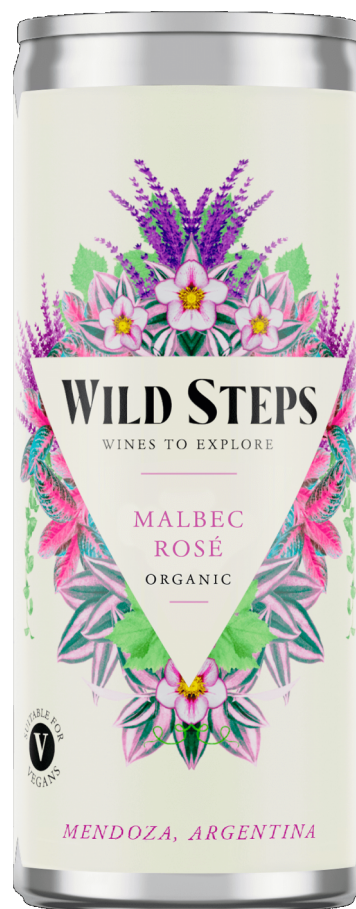

Vintage

The harvest of 2021 was a great one. Due to its cool and humid weather conditions, grapes had the time they needed to reach their optimal ripeness with a perfect balance of acidity/sugars and outstanding tannin structure.
