Finca Piedra Infinita Supercal 2018 3x75cl

Winemaker Notes

In our search for the purest expression of the identity of the Finca Piedra Infinita vineyard, we arrived at this small plot of 0.78 hectares. Located on the west side, it shows the most extreme side of the soils of Paraje Altamira, where from the surface the only thing we find is the stone, covered with a rich layer of calcareous material.

Vineyard

Alluvial soil with big rocks covered with a large amount of calcium bicarbonate on the topsoil.

Winemaking

The grapes were selected Hand, destemmed and crushed. Fermentation in concrete vats without epoxy, with native yeasts. 50% of the wine was aged in 500lts used oak barrels.

Vintage

Due to the climatic conditions, which were more alike to a typical year in Mendoza, we could obtain excellent quality in our wines. 2018 can be characterized as a wonderful harvest, dry, with a low register of precipitations. After two years of grape shortage (in terms of quantity), the harvest 2018 was
