Polígonos Verdejo San Pablo 2020 6x75cl

Winemaker Notes

Polígonos is a selection of varietals that are faithfully displayed, according to the town where they come from. There is a rich and deep expression of the San Pablo vineyard in this wonderfully crisp, fresh, honest wine.

Vineyard

Alluvial soil well stratified. Small middle eroded stone on a sandy-clay layer.

Winemaking

Direct pressing. Maceration done in concrete vats (no epoxi) with indigenous yeast. Malolactic fermentation in concrete vats.

Vintage

The 2020 vintage will undoubtedly be remembered as one of the most particular in Mendoza. Once again the old adage that leads us to say "no two vintages are the same" has taken on special significance: it is difficult to imagine two vintages as different from each other as 2019 and 2020, fundamentally for their climate development. The current one has been a great quality vintage, characterized by its limited yields, between 10% and 20% lower than the historical values according to the areas; and due to the high speed of maturity, which made it one of the fastest and most challenging we can remember.
