## Winemaking

This Malbec is a delicious expression of the Uco Valley, with vibrant plum and raspberry flavours complemented with fresh and spicy notes on the finish.

## Vintage

The 2023 vintage was warm and very dry, which gave us excellent health and quality in the grapes. It is a year that is also characterised by lower yields, due to the frost in the spring of 2022. Knowing the particularities of each place in the vineyards, we were able to define the harvest time for each area very precisely, always in search of freshness, the expression of place and avoiding overripeness.

## Food match

Grilled and Roasted Red Meats

This wine works very well with lamb cutlets, spicy hot pots and steak.
